#Menschlichkeit!

ISBN: 978-3750409965

Wir alle sind Menschen und möchten deshalb auch menschlich behandelt werden. Es hilft jedoch niemandem, täglich zu jammern, wie unfreundlich und unmenschlich unsere Gesellschaft, unsere Welt, unsere Mitmenschen, unsere Arbeitskollegen, unser Chef, unsere Nachbarn, sprich unser soziales Umfeld, geworden sind. Hier gilt, die Verantwortung in die eigene Hand zu nehmen, selbst ins Tun zu kommen und die Welt um uns herum so schön wie möglich zu machen. Wie? Durch unsere Taten! Seien Sie der Mensch, dem Sie täglich begegnen möchten! Seien Sie ein Vorbild für andere und ganz besonders für unsere Kinder! Inspirieren Sie andere, es Ihnen gleichzutun. Sie wissen immer noch nicht genau, wie das funktionieren soll? Dann lesen Sie dieses Buch! Gemeinsam können wir so viel tun und erreichen, um die Welt in ein kleines Paradies zu verwandeln! Packen wir es noch heute an, im liebevollen Miteinander!

»Solange uns die Menschlichkeit verbindet, ist egal, was uns trennt.«
(Ernst Ferstl)

Ein Buch für alle, die die Welt etwas menschlicher mitgestalten möchten.
Wir alle haben es selbst in der Hand und können die Welt auch in kleinen Schritten mit wenig Aufwand liebens- und lebenswerter gestalten!
